LPS® DETEX® Metal Detectable Scouring Pad

PROPERTIES

Thickness	0.35" (9mm)
Detectable Limits	Down to 1" x 1"*
Fibers	Nylon 6, 6
Bonding Agent	Resin
Abrasive	Iron & Quartz
Flammability	No data available
Color	Blue

STORAGE

Store in a cool, dry place. Store in original packaging until ready for use

FEATURES

- Highly visable, metal detectable pad reduces the risk of expensive recalls due to foreign matter contamination
- Tough, non-scratching fibers are safe to use on any metal surface
- Durable, long-lasting scrub pad lasts through many cleanings

APPLICATIONS

- Kettles
- Conveyor belts
- Fryers
- Ovens
- Breading & mixing equipment
- Grinders
- Freezer belts
- *ITW Pro Brands recommends all products be tested in your environment to ascertain suitability and detection levels as this will vary in individual environments

SPECIFICATIONS AND APPROVALS

- Allergen Disclosure Form
- Kosher Certified

AVAILABLE PRODUCTS

Part No. US	Part No. Canada	Pad Size	Units/Case	Approximate Case Weight	Pallet
59660	C59660	5.9 x 8.9 in	60	6 lbs	96 Cases

METAL DETECTION DETAILS

1. Detection limits for a particular machine depend on a variety of factors including line speed, contaminant placement and orientation, iron fortification (i.e.; flour), wet mode vs. dry mode, fragment size, aperture size, etc. It is the responsibility of the end- user to determine the detection limits of the appropriate DETEX® component for the individual line set up and for the particular food product being inspected.
2. Metal and X-ray detection limits for plastic components (above) are based on whole components. Partial plastic and scouring pad components may not be detectable due to detector limitations, partial component size, malfunctioning equipment and/or the type of food product undergoing processing. Scouring pad not X-ray detectable.
3. ITW Pro Brands recommends that all components be tested prior to implementation (separately and included in the processed food product) and/or consult your specific metal detector equipment manufacturer directly.
4. Product shelf life, warranty, and material safety data sheets are available at www.itwprobrands.com. ITW Pro Brands is not responsible for use of this product inconsistent with its instructions and warnings.
5. ITW Pro Brands is not responsible for failure to detect components due to detector limitations and/or detector malfunctions. Refer to the metal detector manufacturer's design limitations, instructions, and warnings regarding the use, limitations, and proper maintenance of the equipment.
