DIRECTIONS

FOR DISPENSING: Remove lid from container. From center of towel roll, pull up a towel corner, twist into a point and thread through the X hole in the underside of the lid. Pull towel through about one inch. Replace lid on container, ensuring a secure fit. Pull out the first towel and snap off at 90° angle. Remaining towels feed automatically for next use. Always reseal hinged cap after each use to insure moisture retention.

FOR USE: Open and unfold cleaning towel to full size. Use abrasive side to scrub and instantly clean soiled hands. No need to rinse or dry hands.

HANDLING

Avoid contact with eyes. Do not smoke. Handle in accordance with good industrial hygiene and safety practice.

STORAGE

Keep container closed when not in use. Keep container tightly closed in a dry and well-ventilated place. Keep away from heat and sources of ignition. Do not contaminate food or feed stuffs. Keep out of the reach of children.

DISPOSAL

Dispose of in accordance with local regulations. Do not re-use empty containers. Do not flush.
